

Greenacre Homes & School

Residential • Educational • Vocational

Located 55 miles north of San Francisco in Sebastopol, CA., **Greenacre Homes & School** provides a variety of specialty care programs for boys ages 6 -20 struggling with trauma, emotional challenges, learning disorders and developmental delays. Program highlights include:

- CCR/CCL Licensed Short-Term Residential Therapeutic Program (STRTP) with 4 (four) homes in Sonoma County, CA.
- Trauma Informed Care emphasizing physical, psychological and emotional safety, stability and development
- Non-Public School (CDE Certified) with individualized and small group instruction (3:1 student to teacher ratio)
- Vocational Training School focusing on hands-on job training and independent living skills development
- Psychiatric consultation and medication support services along with a comprehensive speech, language and occupational therapy program
- 30-day post placement family-based transition services
